

15 February 2023

The Faculty of Agricultural Sciences at the University of Hohenheim awards

2 scholarships to doctoral candidates

who are at the beginning of their postgraduate studies. The scholarship is offered for two years. Start of scholarship is May 2023, payment is expected to be made (retroactively) from August 2023. An extension may be granted only in exceptional and well-justified cases for a maximum of 12 months. The formal conditions of acceptance as a doctoral candidate at the Faculty of Agricultural Sciences of the University of Hohenheim have to be fulfilled by the applicant.

The Faculty of Agricultural Sciences at the University of Hohenheim wishes to attract outstanding doctoral candidates. The following doctoral schools ("Promotionskollegs") of the University of Hohenheim are involved:

- Soil Resources and Landscape Ecology
- Plant Production, Plant Nutrition and Quality Assurance
- Plant Breeding, Plant Protection, and Biotechnology
- Animal Sciences and Biotechnology
- Agricultural and Environmental Engineering
- Economic and Social Sciences of the Agriculture and Food Economy
- Tropical Agricultural, Food and Resource Sciences
- Global Food Security
- Water for Life

Please refer to our homepage (<https://agrar.uni-hohenheim.de>) for further information. Please be aware that scholarship holders must apply for and take part in the Faculty's Doctoral Study Program.

Applications as one pdf file including all documents and detailed information listed in the application form (<https://agrar.uni-hohenheim.de>) should be sent via email to the Dean of the Faculty of Agricultural Sciences (300), email: agrar@uni-hohenheim.de. The deadline for this application is **15 March 2023**. Please note that only complete applications will be considered.
