

EBU Bioeconomy foresight online workshop on Monday, 21 June 2021 between 10–16 CEST

The workshop is targeted to scientists, group leaders and research coordinators within the EBU Alliance who have conducted, know about, or are interested in foresight and other futures studies research in bioeconomy. Please register in the workshop **by 15 June 2021** at

<https://link.webropolsurveys.com/S/2E70DF9C9AF0FAEB>

The workshop aims to

- i) connect futures researchers within EBU;
- ii) co-construct objectives, a draft and division of finalization work towards an "EBU bioeconomy foresight position paper" for the EBU Scientific Forum in September 2021; and
- iii) explore opportunities for joint action targeting foresight-related funding applications in a European scale.

Schedule, 21 June 2021

Time (CEST UTC+2)	Activity	Speakers / facilitators
10:00	Opening and objectives	Jyrki Kangas and Riitta Tegelberg
